It is a conveniently arranged Band, containing a medicated compound, to be worn around the Waist, without injury to the most delicate persons; no change in habits of living is required, and it entirely removes the disease from the system, without producing the injurious effects arising from the use of powerful internal medicines, which weaken and destroy the constitution, and give temporary relief only. By this treatment, the medicinal properties contained in the Band come in contact with the blood and reach the disease, through the pores of the skin, effecting in every instance a perfect care, and restoring the parts afflicted to a healthy condition. This Band is also a most powerful ANTI-MERCURIAL and will entirely relieve the system from the persolute effects of Mercury. Moderate cases are cured in a few days, and we are constantly receiving testimonials of its efficacy in agrarwated cases of long standing.
